Bullseye 1114-31 F iri
Bullseye 1417-31 F iri
Bullseye 1116-31 F iri
Bullseye 1464-31 F iri

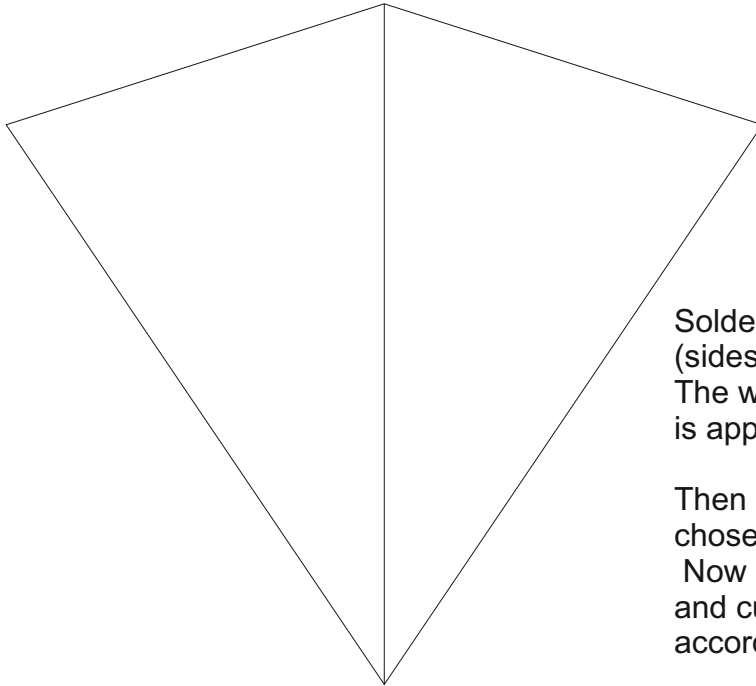

background:
Bullseye 1101-48 F iri

Bullseye 1122-31 F iri
Bullseye 1125-31 F iri
Bullseye 1320-31 F iri
Bullseye 1426-31 F iri

background:
Bullseye 1101-48 F iri

pattern in original size

Solder first the four kites together (sides slightly bent).
The width of the kite soldered is approx. 8cm.

Then position the kites on the glass chosen for the background.
Now draw the contours of the kites and cut the background sheets according to the lines.
