

Flower Vase “ Summer “

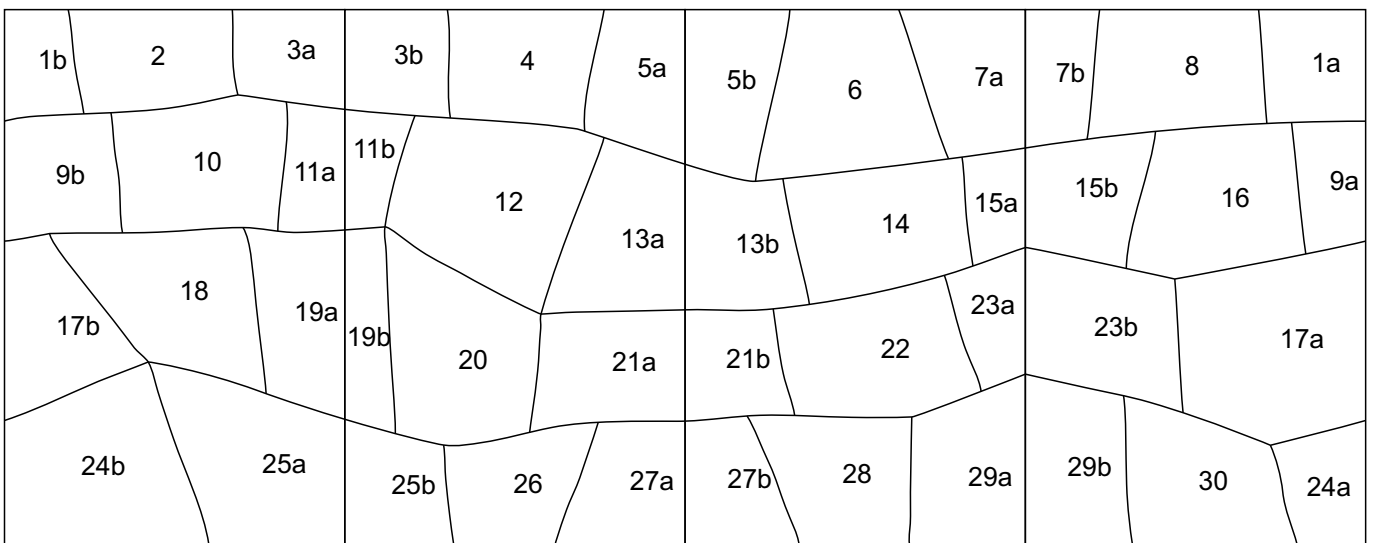

Flower vase “ Summer “

size approx. 14 x 14 x 22 cm (6" x 6" x 9")

If you seal the vase from the inside with synthetic resin and work very accurate, you can fill the vase with water and then use for real flowers.

The vase is also suitable as candle holder

Glass selection example:

mirror for the bottom

For the floor take the mirror, so you can either use this vase as candle holder.

example

After the final cleaning of the vase I recommend to paint the bottom - this looks more professional than the usual mirror coating.

The rubber bumps ensure the perfect stand even on sensitive ground.
