Star 25.2

color compositions:

example 1:

Oceanside 359-1s-F, 379-1s-F, 369-1s-F, 319-02s-F

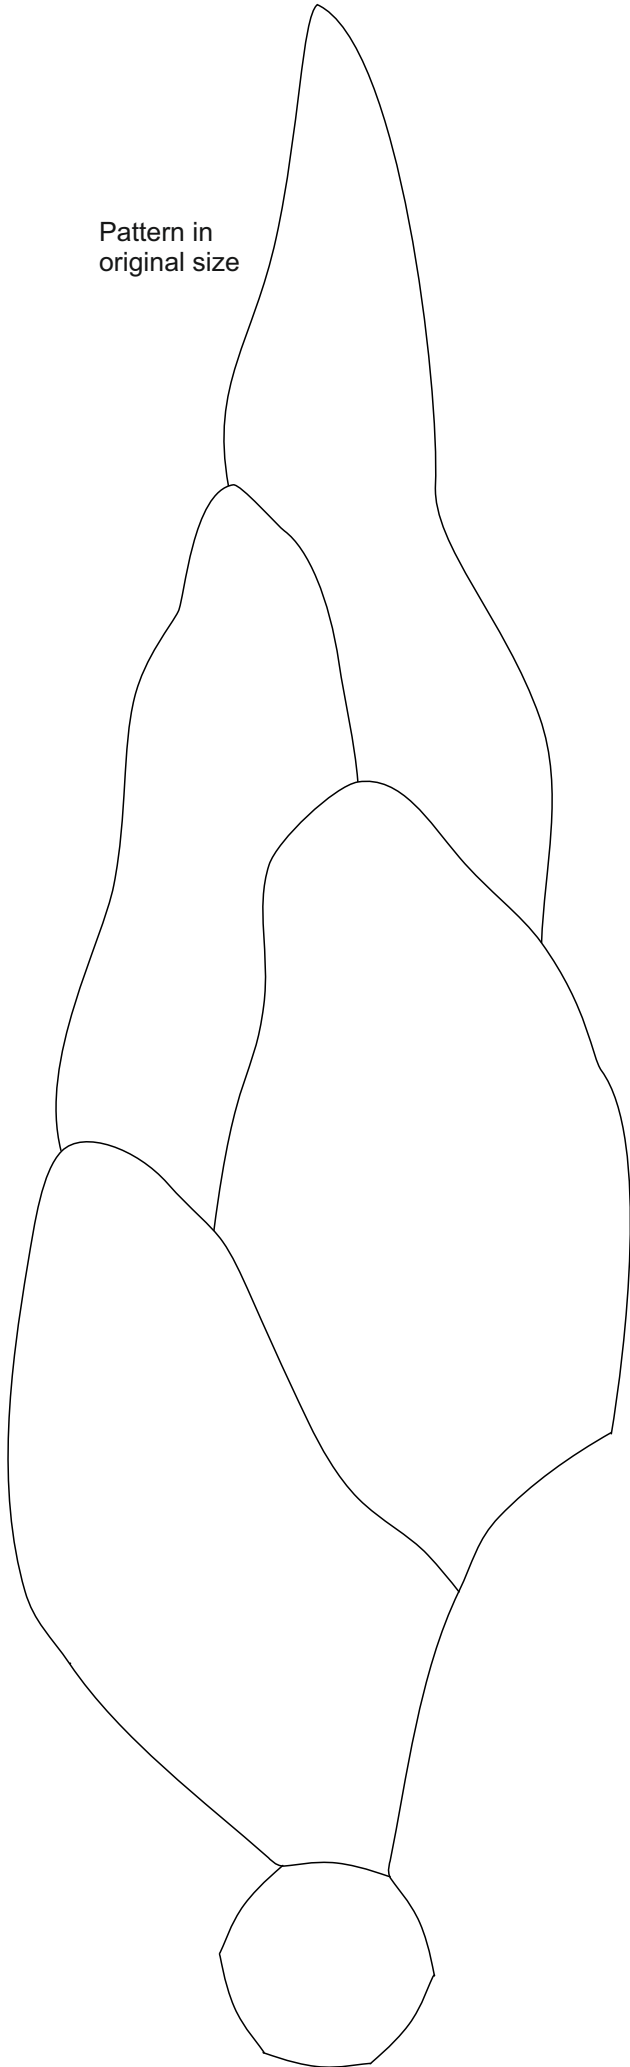

example 2:

Oceanside 151RR-F, 171RR-F, 161RR-F, 110-2RR-F

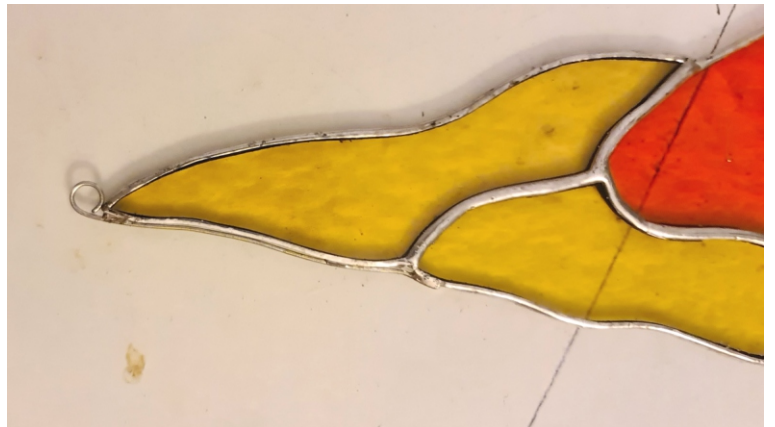

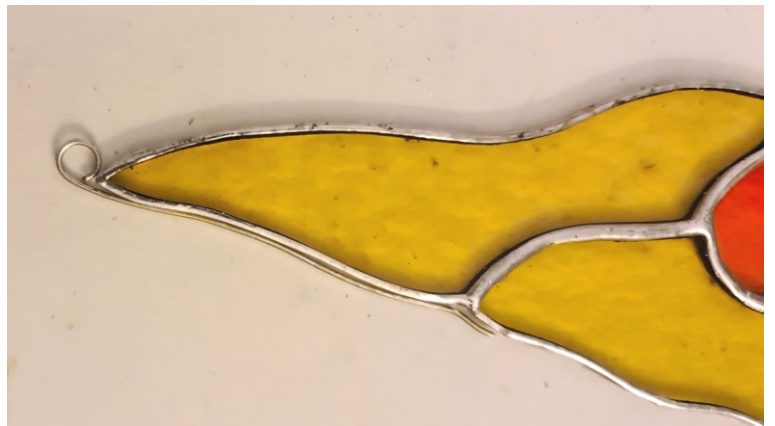

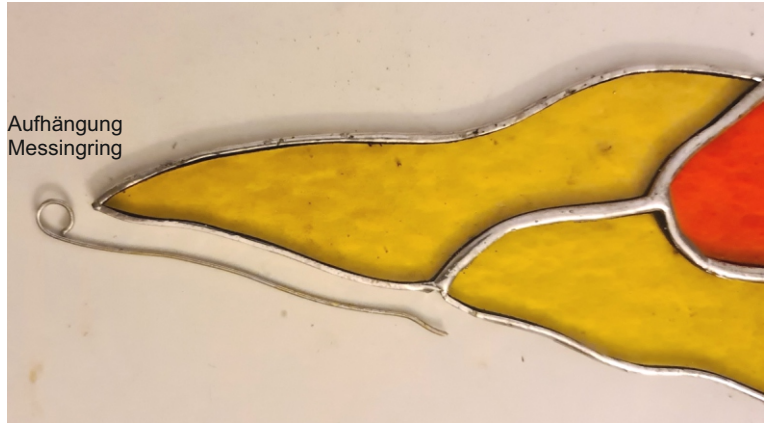

example 3:

Oceanside 151W-F, 171W-F, 161W-F, 110-2W-F

Pattern in original size

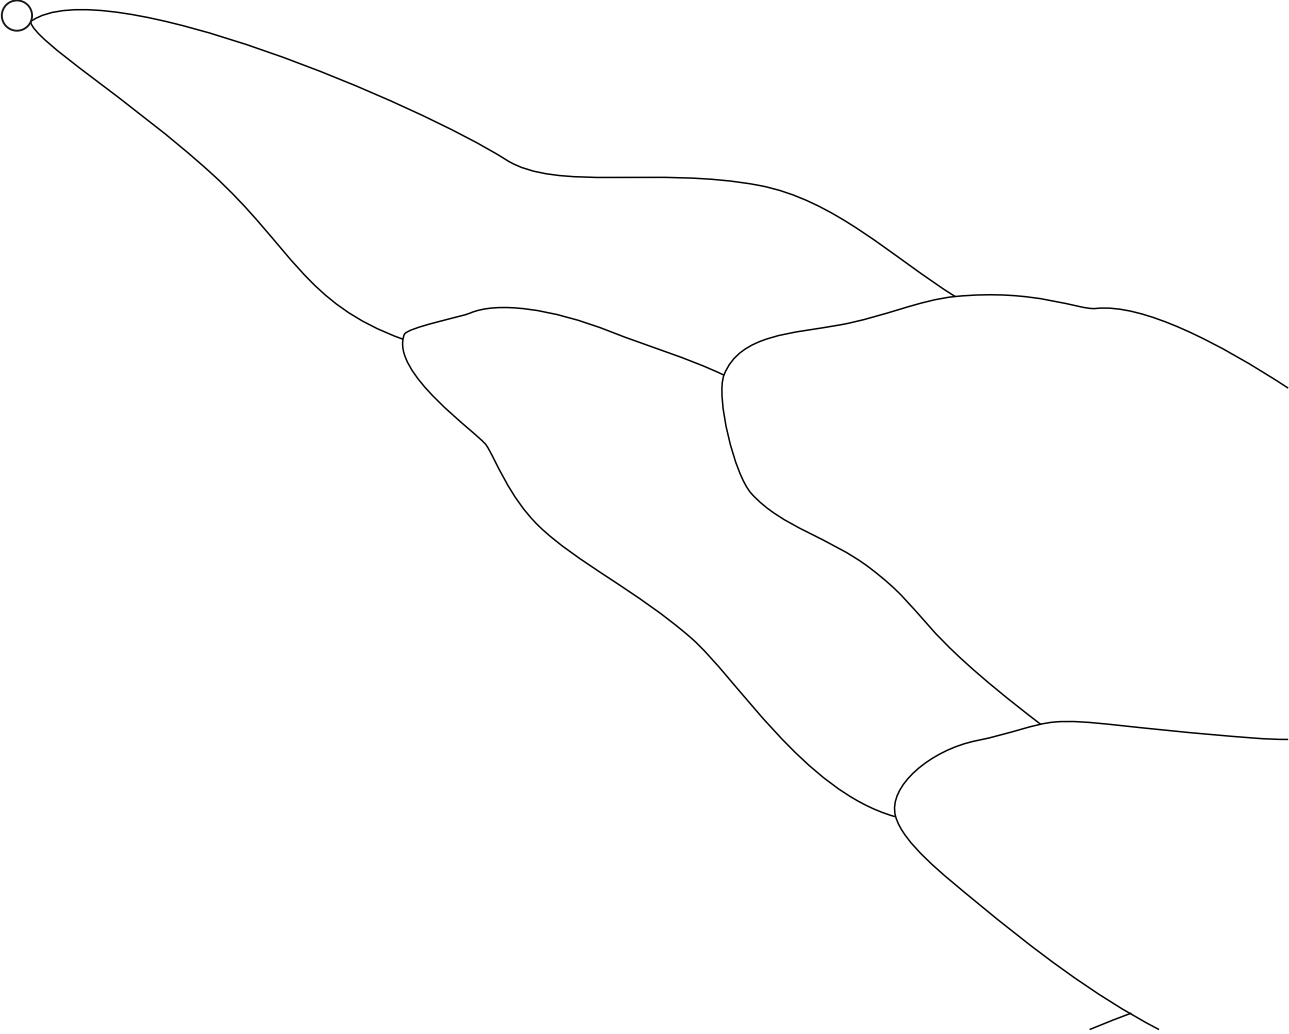

With this slightly larger of the 6-ray star, I recommend an amplified suspension. Depending on the soldering of the edge, a simple ring could demolish. So solder a 1mm thick brass wire to the outer glass part as shown below, which you form into an eyelet at the end.
