The image shows a technical drawing of a candle holder component, labeled 'Seite 4 - Teil 3'. The drawing is a cross-section of a part with a central vertical axis. At the top, there is a wide, shallow, bowl-shaped opening. Below this, the part tapers slightly before expanding into a large, horizontally-oriented, oval-shaped chamber. The bottom of this chamber is rounded. The drawing is enclosed in a rectangular frame with vertical lines on the left and right sides, and horizontal lines at the top and bottom. The text 'Seite 4 - Teil 3' is centered in the middle of the drawing.
